## **DETAILED ACTION**

### ***Election/Restrictions***

1. This application contains claims directed to the following patentably distinct species:
  - a. Species A Figures 2-4
  - b. Species B Figures 5-8
  - c. Species C Figures 9-15
  - d. Species D Figures 16A-16D, 17, 18A-18B, and 19
2. The species are independent or distinct because species A directed to a 3D volumetric input space is mapped to a 3D volumetric display space. Species B directed to map a planar 2D input space into a 3D output space. Species C directed to interact directly with the enclosure surface by a variety of input devices. Species D directed to a transparent digitizer have a number of different volumetric display shapes.

Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. Currently, there is no generic claim.

Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added. An argument that a claim is allowable or that all claims are generic is considered nonresponsive unless accompanied by an election.

Upon the allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which depend from or otherwise require all the limitations of an

Art Unit: 2629

allowable generic claim as provided by 37 CFR 1.141. If claims are added after the election, applicant must indicate which are readable upon the elected species. MPEP § 809.02(a).

3. A telephone call was made to Applicant's representative on 6/21/07 to request an oral election to the above restriction requirement, but did not result in an election being made.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jennifer T. Nguyen whose telephone number is 571-272-7696. The examiner can normally be reached on Mon-Fri: 9:00am-5:30pm.
